URGENT CARE SERVICES

Don't have a doctor? Can't wait to see your PCP? Just walk in to receive expert-level healthcare for dealing with the following injuries and illnesses — no appointment necessary.

- Cough, cold, fever, sore throat
- Cuts that might need stitches
- Tick bites & Lyme disease
- Simple broken bones
- Minor infections
- Sprains or strains
- Flu symptoms
- Ear aches

What to expect at Littleton Urgent Care:

- Staffed by doctors and nurse practitioners
- Accepts most insurance plans, including Medicare and Medicaid (copays/ deductibles apply)
- Average visits are less than one hour from check-in to check-out
- Access to high-quality x-ray and laboratory services
- Access to an on-site Emergency Department led by board certified emergency medicine physicians — in case of emergency

Urgent Care: When entering the Littleton Regional Healthcare campus, turn right toward the entrance by the cafeteria.
